

10k Diesel Injector Cleaner

265ml

Product Description

Diesel Injector Cleaner cleans the entire fuel system removing carbon deposits from injectors and prevents needles from seizing. Improves combustion using effective cleaning agents and a strong cetane improver.

Product Benefits

- * Removes carbon deposits from injectors and prevents needles from seizing
- * Improves combustion and increases cetane number
- * Reduces corrosion and wear
- * Decreases operational cost by lowering fuel consumption and maintenance costs
- * Reduces engine noise
- * Reduces emission of hazardous exhaust gases
- * Improves starting performance and eliminates knocking under partial loads
- * Contains a highly effective lubricity agent to lubricate the fuel pump

* Image for illustrative purposes only.
